

REENTRY SERVICES

Goodwill provides services to individuals who are reentering the workforce and community after a period of incarceration. Our staff understands the challenges and offers a supportive environment. Services include:

- Building a resume
- Obtaining community support services
- Gaining job readiness skills
- Acquiring Career Readiness Certification
- Receiving job search assistance and leads

TRANSITIONAL EMPLOYMENT OPPORTUNITY (TEO)

TEO participants can gain marketable skills and develop positive work behaviors to help prepare for competitive employment. The TEO program offers:

- 16-week paid job training program
- Resume and letter of explanation development
- Barrier assessment and removal strategies
- Career planning and job search assistance
- Employability assessment
- Soft skills training
- Referral services to community resources and programs
